EXPLORE THE ENDLESS BLUE  
OF THE GREEK ISLANDS ON YOUR OWN TERMS!

THRACE YACHTING

## YOUR OWN PRIVATE ISLAND

Charter a skippered Saxdor 400 GTO and cruise in style and comfort, enjoying the cruise while being protected from the elements. Explore the Greek islands, visit remote beaches, enjoy the endless blue on your own terms. With one of our friendly, experienced local skippers at the helm, relax and let go under the sun.

The Saxdor 400 combines speed and comfort, with lounging areas unprecedented for its size, huge terraces expanding the living area and giving you the sense that you are on your own private island while exploring all the others Greece has to offer!

A perfect choice for day cruising, on board celebrations, or to accompany your villa or mega yacht cruise.

## ENJOY THE BEAUTY OF GREECE ON YOUR OWN TERMS

The sleek hull and powerful engines can propel the Saxdor 400 GTO to speeds of up to 50 knots, allowing you to visit secluded bays or ports in no time. The Saxdor 400 GTO is a flagship model that embodies exceptional performance and cruising efficiency. Built on a twin-stepped hull and designed for twin outboards, the Saxdor 400 GTO delivers outstanding on-water experience.

The open wheelhouse extends to the full beam of the boat, maximising internal living space and offering direct access to side terraces, a unique design feature that enhances the functionality of the balconies and creating a private island experience while at rest. All of it executed with impeccable design and a sense of style, making it such a pleasure for the eye.

The lower deck accommodates a spacious forward double cabin, a separate bathroom, an option for a kids' cabin and an amidships double cabin.
